Ensuring the future of agriculture through promotion of endangered breeds of livestock.
Welcome to Hudson Heritage Farms, LLC !

We are a small family owned and operated farm located in southside Virginia. Our interests are in heritage breeds of animals and sharing our farming experiences through agritourism. Our farm raises Highland Cattle, Horned Dorset Sheep, Red Wattle Swine, Boer Goats, and various breeds of chickens and other critters. We sell natural pasture raised goat, lamb, pork and beef, and periodically have breeding stock available.
